6	Upper Arm
7	Lower Arm

Basic tarp terms . . .

• Denier:

- Is the uncoated weight in grams of 9000 meters of yarn. 1000 denier yarn is ~20% stronger than 800 denier yarn. American Made material is mainly 1000 denier or higher whereas imported mesh is mostly made with 800 denier.

• Thread Count:

- Is the number of yarns per inch. The industry standard for the last 50 years has been a 11x11 with black and Multi-colored PVC coated mesh made with 1000 denier yarn.

• Air Flow:

- This is how much air can pass through the material and can have a big effect on the life of the material. If the material flaps around excessively the material will have issues earlier than if the material did not flap. Flapping is what usually kills vinyl tarps since no air passes through them.

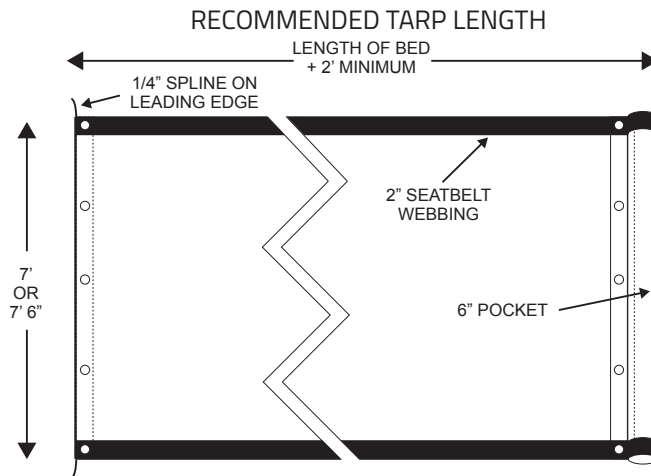

*Great for hauling the roughest of loads!
C&D, Trash, Landscape Debris, etc...*

T21BC	21" Rubber Bungee Strap	14.0
T31BC	31" Rubber Bungee Strap	18.0
T41BC	41" Rubber Bungee Strap	24.0

Tarp Materials . . .

- **Multi-Color Mesh:** Tarps4Trucks uses a 1000 denier yarn. Our standard construction is 14x14. We also offer an industry standard 11x11 construction for price conscious customers. We prefer to offer better than every else, but we don't want price to send our customers to imported tarps. Our tarps are Made in America, your welcome to visit us in Sunny Lake Wales Florida
- **Black Mesh** – Tarps4Trucks offers an 11x11 1000 denier Black Mesh. Most of our competitors sell imported pre-made tarps and use an 11x11 (or even a 10x10) mesh made with 800 denier yarns. Black Mesh is great for customer selling new trucks or trailers because they demand solid black. If color is not critical, we recommend Mega Mesh which is ~3x stronger than Black mesh but costs about the same.
- **Mega Mesh** - all 1000 denier with a 20x20 construction. Best truck tarp material on the market. Tarps4trucks has Mega Mesh Material made specially for us by an American Manufacturer. We designed this material to be used on Roll-off trucks and it has become our bestselling dump truck material also. It has the perfect combination of yarn strength and air flow to work in the toughest of applications.
- **Seatbelt webbing** – Tarps4Trucks sews Automotive Quality Seat belt webbing with a strength of 6000 lbs. down the sides of all our tarps to reinforce our tarps and pockets. Our competitors use mostly 500lb webbing that is 2" wide but is mainly for looks. We are happy to compare our American made products with our competitors tarps any day!

DID YOU KNOW?

Special Tarp Pricing

Material	Material Widths
Mega Mesh™	8' and 10'
Standard Multi-Color PVC Mesh *	8'
Heavy Duty Black PVC Mesh	8'
18 oz Vinyl	60"
RFL **	Varies
Airbag	70"
Asphalt Lumite	8' and 12'
Black 70% Knitted Mesh	10', 12', and 20'

* Color will vary ** Weight will vary

Note: To estimate a special tarp price, multiply (Width + 1') x (Length + 1') to get square feet. Additional features will be charged accordingly; i.e. extra row of webbing, vinyl reinforced pockets, or boxed ends, etc.

Tarp Repair

Electric Head Assemblies with 50:1 Motor

P-1600AB5	Electric head assembly: Adjustable Tarp Axel, Barrel Switch, 50:1 motor, 50' wire
P-1600HB5	Electric head assembly, HD Tarp Axel, Barrel Switch, 50:1 motor, 50' wire
P-1600AT5	Electric head assembly, Adjustable Tarp Axel, Trombeta Switch, 50:1 motor, 50' wire
P-1600HT5	Electric head assembly, HD Tarp Axel, Trombeta Switch, 50:1 motor, 50' wire
P-1600AR5	Electric head assembly, Adjustable Tarp Axel, Relay switch, 50:1 motor, 50' wire
P-1600HR5	Electric head assembly, HD Tarp Axel, Relay switch, 50:1 motor, 50' wire

* Each kit includes: (1) Stub Shaft 3/4", (1) Bearing 3/4", (2) Bearing Plates

Electric Head Assemblies with 60:1 Motor

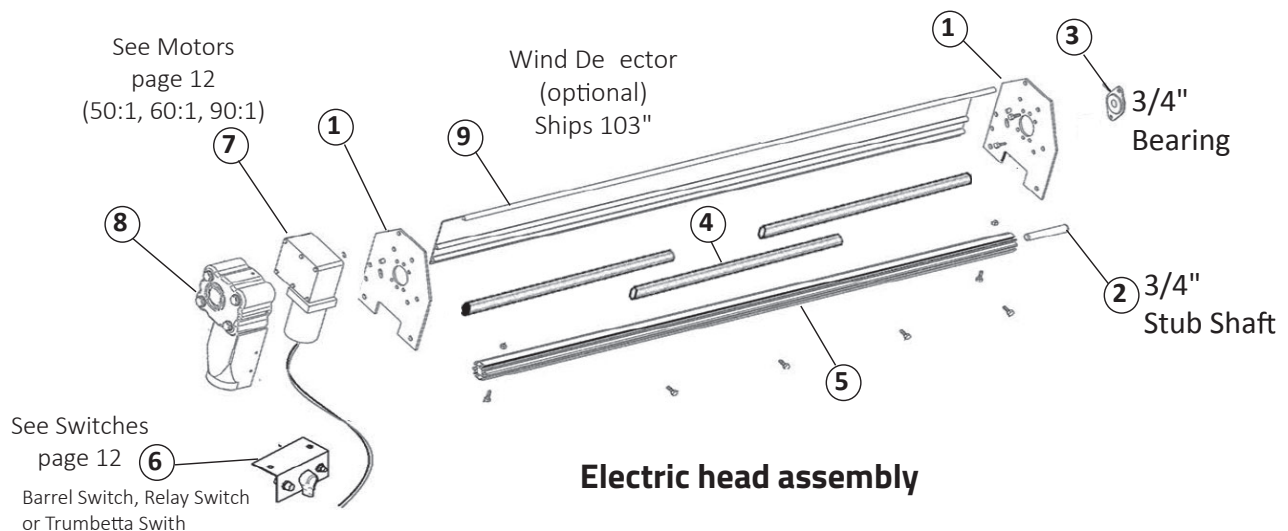

P-1600AB6	Electric head assembly, Adjustable Tarp Axel, Barrel Switch, 60:1 motor, 50' wire
P-1600HB6	Electric head assembly, HD Tarp Axel, Barrel Switch, 60:1 motor, 50' wire
P-1600AT6	Electric head assembly, Adjustable Tarp Axel, Trombeta Switch, 60:1 motor, 50' wire
P-1600HT6	Electric head assembly, HD Tarp Axel, Trombeta Switch, 60:1 motor, 50' wire
P-1600AR6	Electric head assembly, Adjustable Tarp Axel, Relay switch,, 60:1 motor, 50' wire
P-1600HR6	Electric head assembly, HD Tarp Axel, Relay switch, 60:1 motor, 50' wire

* Each kit includes: (1) Stub Shaft 3/4", (1) Bearing 3/4", (2) Bearing Plates

Electric Head Assemblies with 90:1 Motor

P-1600AB9	Electric head assembly, Adjustable Tarp Axel, Barrel Switch, 90:1 motor, 50' wire
P-1600HB9	Electric head assembly, HD Tarp Axel, Barrel Switch, 90:1 motor, 50' wire
P-1600AT9	Electric head assembly, Adjustable Tarp Axel, Trombeta Switch, 90:1 motor, 50' wire
P-1600HT9	Electric head assembly, HD Tarp Axel, Trombeta Switch, 90:1 motor, 50' wire
P-1600AR9	Electric head assembly, Adjustable Tarp Axel, Relay switch, 90:1 motor, 50' wire
P-1600HR9	Electric head assembly, HD Tarp Axel, Relay switch, 90:1 motor, 50' wire

* Each kit includes: (1) Stub Shaft 3/4", (1) Bearing 3/4", (2) Bearing Plates

Page 28

Galvanized Steel Tarp System

Systems

Part #	Description
T4T-S23EL	4-spring, Steel, Electric (P-1600AB6), system complete with adjustable tarp axel, up to 23'
T4T-S23ELB	4-spring, Steel, Electric (P-1600AB6), system complete with 30 degree bent arms 18" from the end, adjustable tarp axel, covers up to 22' 9"
T4T-S23GL	Steel, manual GL crank (P-1500A), system complete, with adjustable tarp axel, up to 23'
T4T-S23GLB	Steel, manual GL crank (P-1500A), system complete, with 30 degree bent arms 18" from the end, adjustable tarp axel, covers up to 22' 9"

Arm Set

Part #	Description
T4T-S23arms	Galvanized rear arm set complete to cover up to 23'
T4T-S23armsB	Galvanized rear arm set complete w/30 degree bend to cover up to 23'
T4T-LSAK	Lower Steel Arm Kit - everything in the drawing except #6 and #7. Qty 2 - 90 degree corners and Qty 2 tarp centering flanges. Just add upper arms and rear cross piece. Save the freight to ship long pipe. *30 degree bend will decrease the maximum covering distance buy a couple inches.

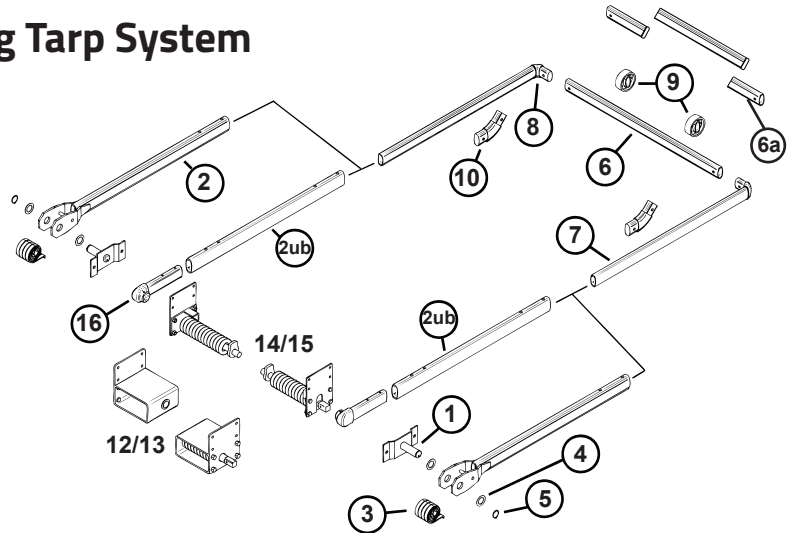

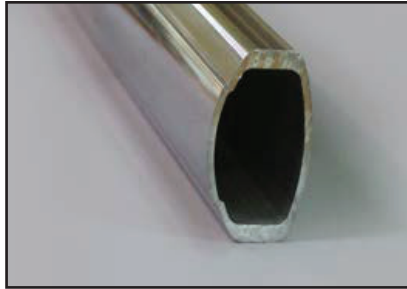

#	Part #	Description
1	P-2010	4-Spring Pivot Pin
1a	P-2009	5-Spring Pivot Pin
2	P-2036	4-Spring lower Steel arm, 36" length
2	P-2070	4-Spring lower Steel arm, 70" length
2a	P-2075	5-Spring lower Steel arm, 89" length
3	P-S121	Spiral torsion spring - complete system requires Qty 8 - 10
4	P-2040	Stainless steel bushing for pivot pin - complete system requires Qty 4
5	P-2042	Snap ring/Retaining ring for pivot pin, 1.25" - complete system requires Qty 2
6	P-2050	Steel Rear Cross Tube 96" length
7	P-2065	Steel Upper Side Arm, 93" length
7b	P-2065B	Steel Upper Side Arm, 93" length WITH 30 degree bend 18" from end
7	P-2060	Steel Upper Side Arm, 120" length
7b	P-2060B	Steel Upper Side Arm w/ 30 degree bend 18" from end , 120" length
8	P-2055	QTY 1 - Steel 90 degree corner - requires Qty2
9	P-2056	Tarp Centering Flange - plastic
	P-2002	Harware kit for steel system

*Arms must overlap by minimum 18" - 24" * Recommended arm overlap 24"

**The length of the bed will be twice the length of the arm need to cover it not including the overlap

Polished Aluminum 4 Spring Tarp System

Systems

Part #	Description
T4T-AL23EL	4-Spring Aluminum, Electric (P-1600AB6), system complete with adjustable tarp axel, covers up to 23'
T4T-AL23GL	4-Spring Aluminum, Ground level operation (P-1500A), system complete, with adjustable tarp axel, covers up to 23'

Arm Set

Part #	Description
T4T-AL23arms	Polished Aluminum rear arm set complete- cover bodies up to 23'

#	Part #	Description
1	P-2010	4-Spring Pivot Pin
2	P-3060	4-Spring lower Aluminum Arm, 70" length
3	P-S121	Spiral torsion spring - complete system requires Qty 8
4	P-2040	Stainless steel bushing for pivot pin - complete system requires Qty 4
5	P-2042	Snap ring/Retaining ring for pivot pin, 1.25" - complete system requires Qty 2
6	P-3100	Rear Cross Tube, Aluminum, 103" long
6a	P-3100A	Adjustable Rear Cross Tube, 93-103" long
7	P-3093	Upper Side arm, aluminum, 93" w/90° corner, up to 20' bodies w/60" lower
7b	P-3103	Upper Side arm, aluminum, 103" w/90° corner, up to 20' bodies w/60" lower
8	P-3104	QTY 1 - 90 degree corner - Aluminum
9	P-3110	QTY 1 - Plastic Tarp Centering flange
10	P-3145	QTY 1 - Optional Aluminum 45 degree ELBOW ONLY
10-KIT	P-3145-kit	45 degree elbow kit with hardware
10	P-3130	QTY 1 - Optional Aluminum 30 degree -ELBOW ONLY
10-KIT	P-3130-kit	30° Elbow kit with hardware
	P-3002	Harware kit for aluminum system

*Arms must overlap by minimum 18" - 24" * Recommended arm overlap 24"

**The length of the bed will be twice the length of the arm need to cover it not including the overlap

Standard Aluminum Trailer systems with UB Springs

Systems

Part #	Description
T4T-AL25-UB	Complete electric system to cover up to 25' with UB Springs
T4T-AL35-UB	Complete electric system to cover up to 35' with UB Springs
T4T-AL40-UB	Complete electric system to cover up to 40' with UB Springs

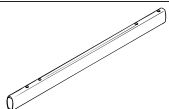

Arm Set

Part #	Description
T4T-AL25arms-UB	Arm set to cover up to 25' with UB springs (84" lower and a 93" upper arm)
T4T-AL35arms-UB	144" lower and a 93" upper covers 35'
T4T-AL40arms-UB	144" lower with 120" upper covers 40'

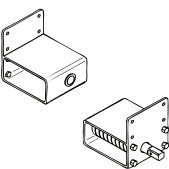

**30 degree bend will decrease the maximum covering distance buy a couple inches.*

Part #	Description
P-5002AL	Hardware kit UB Standard Aluminum System

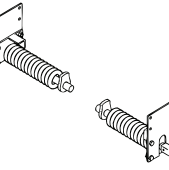

Standard aluminum lower arms for use with Underbody springs

#	Part #	Description	
2ub	P-3312	POLISHED ALUMINUM LOWER ARM 144" FOR UB SPRING BOX	
2ub	P-3307	POLISHED ALUMINUM LOWER ARM 84" FOR UB SPRING BOX	

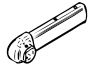

Under Body (10 spring) spring boxes

#	Part #	Description	
14/15	P-5010	Underbody 10 spring box passenger side and drivers side set	
14	P-5010P	Underbody 10 spring box passenger side	
15	P-5010D	Underbody 10 spring box drivers side	
	P-5010shaft	Underbody 10 spring box - spring shaft	

Under Body (UB) Single coil spring boxes

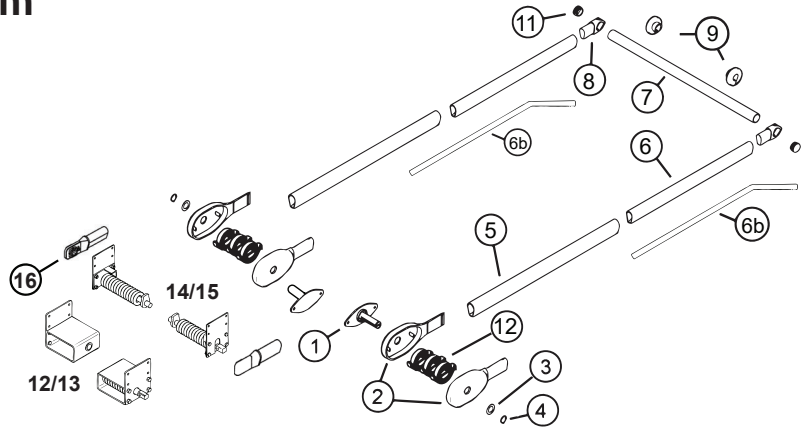

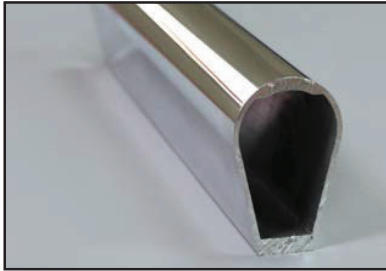

#	Part #	Description	
12/13	P-5020	Underbody SINGLE COIL spring box passenger side and drivers side set	
12	P-5020P	Underbody SINGLE COIL spring box passenger side	
13	P-5020D	Underbody SINGLE COIL spring box drivers side	
	P-5020DS	Underbody SINGLE COIL "spring only" - Driver side	
	P-5020PS	Underbody SINGLE COIL "spring only" - Passenger side	
	P-5020shaft	Underbody SINGLE COIL - spring shaft	

Lower arm connectors

#	Part #	Description	
16	P-5030	Lower arm connector for Aluminum tarp arm	

Aero Aluminum Tarp System

Systems

Part #	Description
T4T-AE22ELB	Electric Tarp System Complete (P-1600AR9), Aero Arm set w/54" upper bent arm, Adjustable Tarp Axel, Relay switch, 90:1 motor w/5 yr warranty and covers up to 22' bodies
T4T-AE-26ELB	Electric Tarp System Complete (P-1600AR9), Aero Arm set w/54" upper bent arm, Adjustable Tarp Axel, Relay switch, 90:1 motor w/5 yr warranty and covers up to 26' bodies

Arm Set

Part #	Description
T4T-AE22armsB	Aero rear arm set complete (lower arms 89", upper arms 54" w/bend), covers up to 22'
T4T-AE-26armsB	Aero rear arm set complete (lower arms 123", upper arms 54" w/bend), covers up to 26'

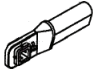

***swap out 54" upper with bend for 54" upper without bend no charge**
*** 15" minimum overlap on upper and lower arms**

#	Part #	Description
1	P-860237	Aero Pivot Arm Mounting pin
2	P-964022	AE power pack casting kit
3	P-680411	Aero 1.25" flat washer
4	P-2042	Snap ring/Retaining ring for pivot pin, 1.25"
5	P-861802	Aero swing arm, lower 62", covers bodies 10-13' in length
5	P-861803	Aero swing arm, lower 89", covers bodies 14-21' in length
5	P-861804	Aero swing arm, lower, 123" length
6	P-861812	Aero swing arm, upper, 54" length no bend
6b	P-863624	Aero swing arm, upper, 54" length with 30 degree bend
7	P-860706	Aero steel rear cross piece 107.5"
8	P-861151	Aero steel upper arm end, connects rear cross piece to upper arm
9	P-862277	QTY 1 - Rubber Tarp Centering Flange
11	P-862135	QTY 1 - Aero Plug end - for part 0311-861151
	P-619550	Aero side mount Double torsion spring; requires Qty 6

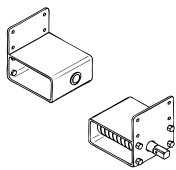

Dump trailer - UB spring and system parts

#	Part #	Description
5	P-861805	Aero swing arm, lower 150", covers bodies 26-28' in length
5	P-861807	Aero swing arm, lower 215", covers bodies 33-40' in length
5	P-861808	Aero swing arm, lower 240", covers bodies 41-49' in length
7	P-860706	Aero steel rear cross piece 107.5"
8	P-861151	Aero steel upper arm end, connects rear cross piece to upper arm
9	P-862277	QTY 1 - Rubber Tarp Centering Flange
11	P-862135	QTY 1 - Aero Plug end - for part 0311-861151

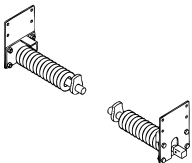

UB spring boxes and replacment parts

#	Part #	Description	
16	P-964103	LOWER ARM CONNECTOR, casting, U/M end fitting	

5-SPRING UB BOX

#	Part #	Description	
14/15	P-960420	5 spring underbody spring box assembly -pair (Driver & Passenger side)	
15	P-960414	5 spring underbody spring box assembly (Driver side)	
14	P-960415	5 spring underbody spring box assembly (Passenger side)	
	P-862667	Shaft for 5 spring underbody spring box	
	P-602903	Brass bushing for 5 spring underbody spring box	
	P-602115	Bearing 1.25" for 5 spring underbody spring box	

SINGLE SPRING UB BOX

#	Part #	Description	
12/13	P-864103	Spring assembly; U/M 5/8" pair (DS & PS) 18'-40'	
13	P-960346	Spring assembly; U/M 5/8" DS Steel 18'-40'	
12	P-960347	Spring assembly; U/M 5/8" PS Steel 18'-40'	
	P-860452	Shaft; for 5/8" spring	

Other parts

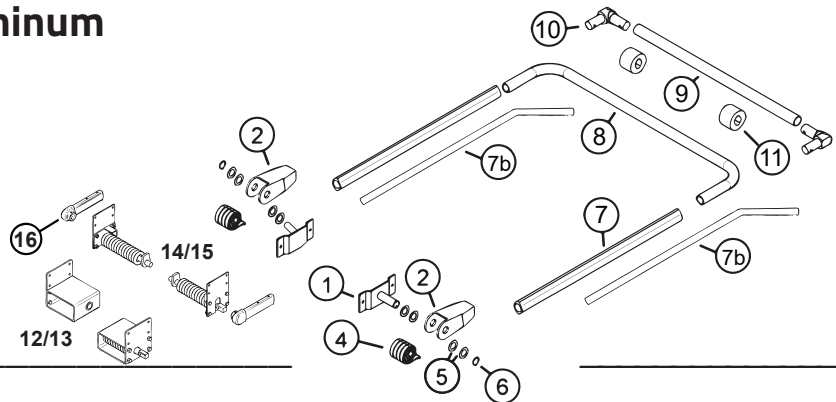

Part #	Description
P-860530	Rear cross arm; 98" alum for 96" wide trailers
P-863014	Casting, upper S/A corner
P-862272	Bumper, rubber; 4" for alum upper arm; w/groove
P-863615	132" lower arm extrusion to be used with tripple lower LWR

*Manufacturer requires a minimum of a 15" arm overlap from lower and upper side arms

**the length of the bed will be twice the length of the arm need to cover it not including the overlap

Heavy Duty Polished Aluminum

Systems

Part #	Description
T4T-HD20ELB	4-spring Electric (P-1600HR9) external mount HD Aluminum system complete, 120" side arms w/30 degree bend, HD tarp axel, covers bodies up to 20'*
T4T-HD24ELB	4-spring Electric (P-1600HR9) external mount HD Aluminum system complete, 144" side arms w/30 degree bend, HD tarp axel, covers bodies up to 24'*

Arm Set

Part #	Description
T4T-HD20armB	4-spring external mount HD Aluminum arm set, 120" side arms w/30 degree bend, bodies up to 20'*
T4T-HD24armsB	4-spring external mount HD Aluminum arm set, 144" side arms w/30 degree bend, bodies up to 24'*

***30 degree bend will decrease the maximum covering distance buy a couple inches.**

1	P-2010	4-Spring Pivot Pin
2	P-4010	4-Spring external mount casting for HD Aluminum Arm
4	P-S121	Spiral torsion spring
5	P-2040	Stainless steel bushing for pivot pin
6	P-2042	Snap ring/Retaining ring for pivot pin, 1.25"
7	P-4120	HD Aluminum Arm, 120" length for body up to 20'
7b	P-4120B	HD Aluminum Arm, 120" length for body up to 20' w/30 degree bend
7	P-4144	HD Aluminum Arm, 144" length for body up to 24'
7b	P-4144B	HD Aluminum Arm, 144" length for body up to 24' w/30 degree bend
7	P-4168	HD Aluminum Arm, 168" length for body up to 26'
7b	P-4168B	HD Aluminum Arm, 168" length for body up to 26' w/30 degree bend
7	P-4192	HD Aluminum Arm, 192" length for body up to 32' - two piece arm
7b	P-4192B	HD Aluminum Arm, 192" length for body up to 32' w/30 degree bend
7	P-4240	HD Aluminum Arm, 240" length for body up to 40'
7b	P-4240B	HD Aluminum Arm, 240" length for body up to 40' w/30 degree bend
	P-4210	Two piece arm connector for HD Aluminum arm 16' and longer
8	P-4102	Steel Cross Tube - 1 piece 102" wide for 96" wide body
8	P-4108	Steel Cross Tube - 1 piece 110" wide for 102" wide body
9	P-4096	Steel Cross Tube, 98" length (requires Qty 2 - 90 degree corners Part #4098)
10	p-4098	QTY 1 - 90 degree casting for HD Aluminum arm
11	P-4095	QTY 1 - 3" rubber tarp centering flange for steel rear cross piece
	P-4002	Harware kit for HD aluminum system
	P-2045	Brass Bushing

HD Aluminum arm sets with UB springs cover up to 40'

Systems

Part #	Description
T4T-HD20-B-UB	Complete System for up to 20' body with head assembly (part#P-1600HR9) and UB Arm set (part# T4T-HD20armB-UB) below
T4T-HD24-B-UB	Complete System for up to 24' body with head assembly (part#P-1600HR9) and UB Arm set (part# T4T-HD24armB-UB) below

- Tarps4Trucks is the only judge of warranty and we reserve the right to repair, replace or issue a credit for any product found to be under warranty.
- No freight on lumber tarps, lumber tarp dollars do not count toward free freight totals.
- Our tarps are warranted against defects in material and workmanship for 90 days.

Florida Free freight policy:

- \$1,000 free freight on orders that fit on a standard 4' pallet (tarps, motors, switches, springs, adjustable roller bars, small parts)
 - \$2,000 free freight for orders that fit on a pallet less than 144" long but longer than 4' long
 - No free freight for orders that ship longer than 12' - please call for quote
- **No free freight on lumber tarps, lumber tarp costs do not count toward free freight total

South Eastern United States Free freight policy:

- \$2,000 free freight on orders that fit on a standard 4' pallet (tarps, motors, switches, springs, adjustable roller bars, small parts)
 - \$3,000 free freight for orders that fit on a pallet less than 144" long but longer than 4' long
 - no free freight for orders that ship longer than 12' - please call for freight quote.
- **No free freight on lumber tarps, lumber tarp costs do not count toward free freight total

Motor Warranty Process

- Motor warranties are covered by the original manufacturer
- Requires a Return Authorization Number prior to shipping the item back. Please call 863-676-2579.
- End user or dealer is responsible for this freight.
- Motor will have to be inspected before a warranty decision can be made; could take weeks.
- ONLY a Tarps4Trucks representative can authorize a motor warranty.
- Tarps4Trucks reserves the right to replace a motor, issue a credit or provide a new motor found under warranty.
- Warranty left on the original motor would be transferred to the replacement motor.

Return & Refund Policy

Returns:

A full credit for the item will be applied to your in-house account to be used for any future purchases as long as it meets the following guidelines:

- To be eligible for a return, your item must be unused and in the same condition that you received it and able to be sold again as a new product. Provided it is "like new" we will issue full credit (see refund section for full details)
- If the item is not "like new" there will be a 10% restocking fee, we will not accept damaged or broken items that cannot be re-sold.
- Must be an item we still carry or manufacture.
- No refunds or returns will be given on special made to order tarps, bee nets, hammocks, shades, parts or accessories.

Shipping:

- You will be responsible for paying for your own shipping costs for returning your item. Original shipping costs are non-refundable.

Refunds:

- Once we receive your item, we will inspect it and notify you that we have received your returned item. We will notify you on the status of your refund after inspecting the item. If eligible you will receive a full refund towards future purchases.
- Refund amount will be the original price paid (less the cost of shipping if applicable) or the current sale price, whichever is less at time of return.

We reserve the right to refuse any returns or make any changes to our return policy at any given time.

Other

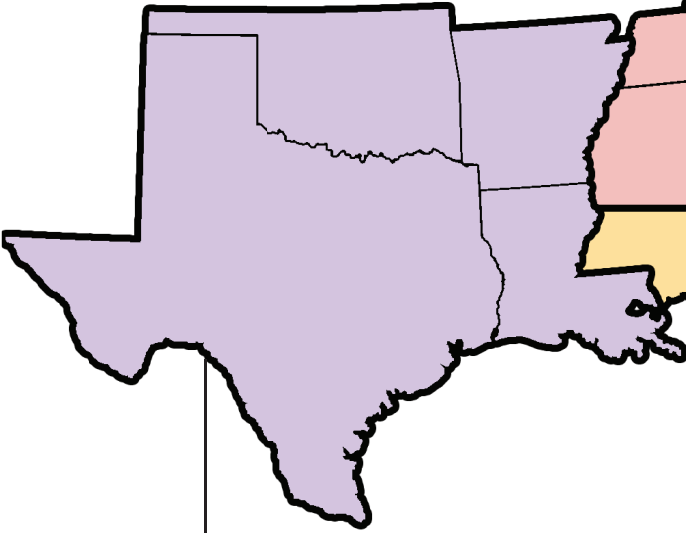

- Minimum order of \$50, we reserve the right to round up any invoices under \$50 to \$50.
- Tarps4Trucks is willing to swap out parts that are kept in original packaging, purchased less than 90 days earlier, and that are still offered for sale at their full value.
- **No Free Freight on Lumber Tarps.**
